~ Welcome ~

To Claygate Moon Star Tandoori. Firstly we would like to thank all our patrons that have brought us to where we are now, running since the opening of the restaurant, then known as the **Dipali** in **1974** by my father Mr Budhu Miah, and still going strong. Thank you.

As you may already know, the Indian food industry is a very large and ever expanding trade. That is why we here at the Claygate Moon Star Tandoori, are always trying to find new ways, to increase the quality of the food we provide our customers. We hope you enjoy the excellent quality of our authentic cuisine we bring to you today.
